EDUCATION

2019	Ph.D.	Communication	**Cornell University**
2014	M.S.	Communication Studies	**Texas Christian University**
2012	B.S.	Communication	**Southern Utah University**

ACADEMIC POSITIONS

University of Illinois Chicago

Associate Professor	2025 – Present
Assistant Professor	2019 – 2025
Department of Communication	
Associate Professor (by courtesy)	2025 – Present
Assistant Professor (by courtesy)	2020 – 2025
Department of Psychology	

Vrije Universiteit Amsterdam

Visiting Scholar	2026
Department of Communication Science

INVITED BOOK CHAPTERS

Bershad, A., Gu. X., Leknes, S., O'Connor, M., Shaham, Y., Silani, G., **Taylor, S. H.**, Tschacher, W., & Winter, N. R. (in press). Social connectedness: Dimensions and measures. In H. de Wit & M. Paulus (Eds.) *Social Connection Constructs, Mechanisms, and Implications for Substance Abuse*. Springer.

Taylor, S. H., & Choi, M. (2026). Bringing people closer together?: Theorizing how algorithms influence interpersonal communication processes and personal relationships. In A. Ramirez, J. Hall, B. McEwan, and E. Sumner (Eds). *The Handbook of Relational and Computer-Mediated Communication* (pp. 323-334). Routledge

Taylor, S. H. (2020). Family communication in the technological context: The case study of unicorn_b2. In E. Dorrance Hall & K. Scharp (Eds). *Communication in family contexts: Applying theories and processes to family relationships* (pp. 306-307). Hoboken, NJ: Wiley-Blackwell.

Taylor, S. H., & Bazarova, N. N. (2018). Social media and subjective well-being: A relational perspective. In Z. Papacharissi (Ed). *A Networked Self and Love* (pp. 86-112). New York, NY: Routledge.

CONFERENCE PRESENTATIONS

Markowitz, D. M., & **Taylor, S. H.** (2025). Testing hypotheses from the social approval theory of online hate: An analysis of 110 million posts from Parler. *Paper presented at the National Communication Association Annual Conference*, Denver, CO.

Taylor, S. H., & Choi, M. (2025). Bringing people closer together?: How algorithms influence relationship initiation, maintenance, and dissolution processes. *Paper presented at the Human-Machine Communication Preconference for the 2025 annual meeting for the International Communication Association*, Denver, CO. Poster Session.

Chen, Y. A., & **Taylor, S. H.** (2025). Taming TikTok: LGBTQ youth navigating algorithmic identity representation and well-being. *Paper presented at the Human-Machine Communication Preconference for the 2025 annual meeting for the International Communication Association*, Denver, CO.
Jake Liang Top Paper Award, Human-Machine Communication Division

Chen, Y. A., & **Taylor, S. H.** (2024). Taming TikTok: LGBTQ youth navigating algorithmic identity representation and well-being. *Poster presented at the CERES Fall Intensive Retreat. Newport Beach, CA.*

Taylor, S. H., & Chen, Y. A. (2024). The lonely algorithm problem: The relationship between algorithmic personalization and social connectedness on TikTok. *Paper presented at the 2024 annual meeting for the National Communication Association*, New Orleans, LA.
Top Paper Award, Human Communication and Technology Division

Taylor, S. H., & Markowitz, D. M. (2024). Understanding algorithm perceptions: Connecting the algorithm responsiveness process to algorithmic folk theories. *Paper presented at the 2024 annual meeting for the National Communication Association*, New Orleans, LA.

Taylor, S. H., & Chen, Y. A. (2024). Always connected, always available: Relational closeness moderates the effects of availability on stress and security. *Paper presented at the 2024 annual meeting for the National Communication Association*, New Orleans, LA.

Taylor, S. H., & Chen, Y. A. (2024). The lonely algorithm problem: The relationship between algorithmic personalization and social connectedness on TikTok. *Extended abstract accepted at the inaugural Communication Science Futures Conference*. East Lansing, MI.

Yao, Y.*, & **Taylor, S. H.** (2024). Algorithmic intimacy: Rethinking relational maintenance on social media. *Paper presented at the 2024 annual meeting for the International Communication Association*, Gold Coast, AU.
Top Student-led Paper Award, Interpersonal Communication Division

Yao, Y.*, & **Taylor, S. H.** (2024). Algorithmic intimacy: Exploring algorithmic-mediated relational maintenance on social media. *Paper presented at the 2024 biannual meeting for the International Association for Relationship Research*, Boston, MA.

Taylor, S. H., & Chen, Y. A. (2024). Always connected, always available: Relational closeness moderates the effects of availability on stress and security. *Extended abstract presented at the 2024 biannual meeting for the International Association for Relationship Research*, Boston, MA.

Brisini, K. S., & **Taylor, S. H.** (2023). The spillover of parenting stress onto interparental conflict communication: A relational turbulence theory perspective. *Paper presented at the 2023 annual meeting for the National Communication Association*, National Harbor, MD.

Taylor, S. H., & Brisini, K. S. (2023). Parenting the TikTok algorithm: An algorithm awareness as process approach to online risks and opportunities for teens on TikTok. *Paper*

presented at the 2023 annual meeting for the National Communication Association, National Harbor, MD.

Yao, Y.*, **Taylor, S. H.**, & Leiser, S.*. (2023). Who's viewing this?: Extending the imagined audience process model towards affordances and self-disclosure goals on Instagram. *Paper presented at the 2023 annual meeting for the National Communication Association*, National Harbor, MD.

Lackey, C.*, & **Taylor, S. H.** (2023). Algorithmic folk theories of online harassment: How social media algorithms enable online harassment and prevent intervention. *Paper presented at the 2023 annual meeting for the Association for Internet Researchers*, Philadelphia, PA.

Taylor, S. H., & Markowitz, D. M. (2023). Curating connectedness: A message-centric approach to social media algorithms and social connection. *Extended abstract presented at the 2023 annual meeting for the International Communication Association*, Toronto, CA.

Taylor, S. H., & Choi, M. (2023). Lonely algorithms: A longitudinal investigation of social media algorithms and loneliness. *Paper presented at the 2023 annual meeting for the International Communication Association*, Toronto, CA.

Taylor, S. H., & Choi, M. (2022). An initial conceptualization of algorithm responsiveness: Comparing algorithm perceptions across social media platforms. *Paper presented at the 2022 annual meeting for the National Communication Association*, New Orleans, LA.

Choi, M., & **Taylor, S. H.** (2022). Are you as attractive on social media as you think?: Asymmetrical perception of sharing emotion on Facebook. *Paper presented at the 2022 annual meeting for the International Communication Association*, Paris, FR.

Song, H., Markowitz, D. M., & **Taylor, S. H.** (2022). Trusting on the shoulders of open giants? Open science increases trust in science for public and academics. *Paper presented at the 2022 annual meeting for the International Communication Association*, Paris, FR.

Markowitz, D. M., **Taylor, S. H.**, & Song. H. (2021). Tracing the adoption and effects of open science in communication (2010-2020): A computational and experimental approach. *Paper presented at the 2021 annual meeting for the International Communication Association*, Denver, CO.

Choi, M. &, **Taylor, S. H.** (2021). You are more likable and attractive than you think: Asymmetrical perception of sharing emotion on Facebook. *Paper presented at the 2021 annual meeting for the International Communication Association*, Denver, CO.

Taylor, S. H., & Bazarova, N. N. (2020). Always available, always attached: A relational perspective on the effects of mobile phones and social media on subjective well-being. *Paper presented at the 2020 annual meeting for the International Communication Association*, Gold Coast, Australia.

Taylor, S. H., Davis, C. J.,* & DiFranzo, D. (2018). Bōlbee: Inferring offline social interactions from mobile sensing data. *Paper presented at the 12th AAAI International Conference on Web and Social Media* (ICWSM '18). Stanford, CA.

Taylor, S. H., Purington, A., & Bazarova, N. N. (2018) Parenting practices to prevent exposure to online risk: A qualitative dyadic analysis of parent-child discrepancies about parental mediation and online risky behaviors. *Paper presented at International Association of Relationship Research*, Boulder, CO.

Kazerooni, F., **Taylor, S. H.**, Bazarova, N. N. & Whitlock, J. (2017, November). Cyberbullying bystander intervention: The number of offenders and retweeting predict likelihood of helping cyberbullying victim. *Paper presented at 2017 annual meeting for the National Communication Association*, Dallas, TX.

Taylor, S. H., & Bazarova, N. N. (2017, May). Media multiplexity in romantic relationships: a longitudinal test of relational closeness, relational uncertainty, and multimedia communication. *Paper presented at the 2017 annual meeting for the International Communication Association*, San Diego, CA.

Taylor, S. H., Ledbetter, A. M., & Mazer, J. P. (2017, May). Initial specification and empirical test of media enjoyment theory. *Paper presented at the 2017 annual meeting for the International Communication Association*, San Diego, CA.

Taylor, S. H., Hinck, A, & Lim, H. (2017, May) What the selfie says: An experimental test of how selfies change Social judgments on Facebook. *Paper presented at the 2017 annual meeting for the International Communication Association*, San Diego, CA.

Purington, A., Taft, J. G., Sannon, S. H., Bazarova, N. N., & **Taylor, S. H.** (2017, March). "Alexa is my new BFF": A case study of the Amazon Echo's social functions and roles. *Extended Abstract for the Workshop on Talking with Conversational Agents in Collaborative Action, Computer Supported Collaborative Work*, (CSCW '17).

Choi, Y. H., **Taylor, S. H.**, Sannon, S., & Bazarova, N. N. (2016, November). Social media affordances and interpersonal aspects of depression in Facebook communication. *Paper presented at the National Communication Association 102nd Annual Convention*, Philadelphia, PA.

Taylor, S. H., & Bazarova, N. N. (2016, July). Media multiplexity in romantic relationships: Understanding the relationship between tie strength, relational uncertainty, and media use frequency. *Poster presented at the 2016 Conference for the International Association of Relationship Research*, July 20-24, 2016, Toronto, CA.

Taylor, S. H., & Bazarova, N. N. (2016, July). The interaction between relational uncertainty and media affordances: An investigation of date request messages across different interpersonal media. *Poster presented at the 2016 Conference for the International Association of Relationship Research*, July 20-24, 2016, Toronto, CA.

Ledbetter, A. M., **Taylor, S. H.**, & Mazer, J. (2015, November). Enjoyment fosters media use frequency and determines its relational outcomes: Toward a synthesis of uses and gratifications theory and media multiplexity theory. *Paper presented at the annual meeting of the National Communication Association*, Las Vegas, NV.

Taylor, S. H., & Ledbetter, A. M. (2014, November). Extending media multiplexity theory to the extended family: Communication satisfaction and tie strength as moderators of violations of media use expectations. *Paper presented at the 2014 annual meeting of the National Communication Association*, Chicago, IL.

INVITED TALKS AND WORKSHOPS

2026 **Invited Participant**. Digital Literacy Hub Inaugural Symposium
Amsterdam, Netherlands

2026 **Invited Speaker**. Society for Personality and Social Psychology
Close Relationships Preconference, Chicago, IL
AI and Technology in Close Relationships

2025 **Invited Speaker**. AI Agents and Emerging Social Relationships: Evidence-Based Perspectives on Human-AI Relational Interactions.
Shanghai, China. Fudan University.
The Paradoxes of the Lonely Algorithm Problem

Invited Participant. Ernst Strüngmann Forum.
Frankfurt, Germany. Frankfurt Institute for Advanced Studies.
Social Connectedness: Constructs, Mechanisms, and Implications for Substance Abuse

2024 **Colloquium Speaker**. Fudan University, School of Journalism
Shanghai, China
The Lonely Algorithm Problem: Theorizing the Intersection of Algorithms, A.I., and Personal Relationships

Colloquium Speaker. Pennsylvania State University,
Department of Communication Arts and Sciences, State College, PA
The Lonely Algorithm Problem: Theorizing the Intersection of Algorithms, A.I., and Personal Relationships

2023 **Workshop Organizer**
International Association of Relationship Research's Biannual Young Scholar Pre-conference
Phoenix, AZ
May 27, 2023

2023 **Colloquium Speaker**. University of Wisconsin-Madison
Department of Communication Arts, Madison, WI
Lonely Algorithms: Personalization versus Personal Relationships on Social Media

2022 **Invited Speaker**. Prosocial Design Network
Cyberbullying Bystander Intervention: Redesigning Social Media for Accountability and Empathy

2020 **Invited Speaker**. University of Illinois Chicago

Department of Psychology, Chicago, IL
Cyberbullying Bystander Intervention: Redesigning Social Media for Accountability and Empathy

2018 **Workshop Organizer**
Bridging the Gaps: Social Media, Use, and Well-Being
12th International Conference on Web and Social Media
Stanford, CA
June 25th, 2018

2018 **Keynote Speaker**
Sticks and Stones in Bits and Bytes: Collaboration, Application, and Strategies for Preventing Cyberbullying. *Preconference at National Communication Association Annual Convention*
Salt Lake City, UT
Innovative Methods for Researching Cyberbullying

AWARDS

2026 **Early Career Award**
National Communication Association
Human Communication and Technology Division

2026 **Large-Scale General Education Course Proposal**
College of Liberal Arts and Sciences
University of Illinois Chicago

2025 **Top Paper Award**
International Communication Association
Human-Machine Communication Interest Group

2024 **Top Paper Award**
National Communication Association
Human Communication and Technology Division

2024 **Top Student-lead Paper Award**
Interpersonal Communication Division
International Communication Association

2017 **Anson Rowe Promising Graduate Student Award**
Department of Communication
Cornell University

2016 **Outstanding Master's Thesis**
National Communication Association
Interpersonal Communication Division

2015 **Outstanding Graduate Teaching Assistant**
Department of Communication
Cornell University

2014 **Outstanding Graduate Student**
Department of Communication Studies
Texas Christian University

2012 **Top Undergraduate Student in Communication Studies**
Southern Utah University

FUNDING

2024 **Taylor, S. H.**
$4,800, 05/24 - Unfunded
Problematizing Passive Social Media Use and Mental Health: Studying Algorithmic Bias among LGBTQ+ Young Adults
UIC Committee on Social Science Research, Seed Grant Funds

2023 **Taylor, S. H.**
$5,000, 06/24-5/25 - Top 5 proposals, Unfunded
Problematizing Passive Social Media Use and Mental Health: Integrating Algorithmic Bias and LGBTQ+ Perspectives
Central States Association Federation Prize

2019 **Taylor, S. H.**
Graduate Student Travel Award, International Association for Relationship Research

2018 Collaborator: **Taylor, S. H.** (with PI Bazarova)
$8,000, 1/18-1/20
Always Available, Always Attached: The Benefits and Risks of Mobile and Social Media Use in Close Relationships
Cornell Institute of Social Sciences Small Grant

2018 **Taylor, S. H.**
Graduate Student Travel Award, International Association for Relationship Research

2015 Collaborator: **Taylor, S. H.** (with PI Bazarova)
$75,000, 09/15-09/18
Parents, Teens, and Online Safety: Improving Parenting Practices in the Digital Age
HATCH NYC-131419
